

VEHICLE WARRANTY

MMPC assures its customers that it will replace the parts found to be defective under normal use and maintenance

Coverage

Vehicle warranty covers the first three (3) years or 100,000 kms, whichever comes first. Replacement for the AC, Entertainment, and Navigation System will be the same as the vehicle while replacement for tires will be dependent on the tire manufacturer. Battery and exhaust muffler will be covered for one year (1) or 20,000 kms, whichever comes first.

Cost

Free on labor and parts (except consumable items like filters, lubricants, and brake pads).

Exemptions

Normal wear and tear items
Damage due to negligence or improper use
Damage due to natural calamity
Non-genuine part
Vehicles with altered odometer gauge

Transferability

If the vehicle is sold within the warranty period, the remaining duration may be transferred to the new owner

Requirement

Complete maintenance at authorized Mitsubishi service centers
