LANCER EX GLS

With its powerful yet economical 1.6-liter Mitsubishi Innovative Valve timing Electronic Control (MIVEC) system engine, the Mitsubishi Lancer EX GLS takes control of the city streets and wide-open highways.

With its sleek and smart design, the Mitsubishi Lancer EX GLS was created to turn heads and always take center stage wherever it goes.

Keyless Entry with alarm and immobilizer

Comfortable seating with black high-grade fabric seat material

The Lancer EX's large body allows for a roomy interior. Rear passengers will especially enjoy the generous leg and headroom as well as the high hip point. This gives everyone room to stretch out and enjoy the ride. Front occupants are sure to appreciate the sport-type seats.

Automatic Climate Control System (dial-type)

Ergonomically laid out cockpit putting every control exactly where intuition tells it should be.

- 3-spoke leather-wrapped steering wheel with silver accent
- Leather-wrapped gear shift knob with leather boot gear shift panel

The Lancer EX's advanced Multimedia Entertainment System has a variety of multimedia playback options including playing your favorite DVD or music directly from an iPod, Auxiliary jack, or USB flash drive, and connecting to your Bluetooth-capable handheld device. Its 8-inch touchscreen also acts as the GPS navigation (Dealer Option) and reverse camera (Dealer Option) display.

Euro 4 compliant 1.6-liter In-Line 4 DOHC 16-Valve with MIVEC (4A92)

This 1.6-liter engine combines the rush of excitement and efficiency that is expected from the Lancer EX GLS. Optimum efficiency is achieved with the help of its lightweight aluminum block while the MIVEC technology provides for more aggressive starts and maximum high range output.

MIVEC Technology

The Mitsubishi innovative Valve timing Electronic Control (MIVEC) is an exclusive technology that adjusts the timing of the intake camshaft for optimal performance across the rev range. At low ranges, MIVEC provides on-demand acceleration for quicker starts, while higher ranges receive an impressive boost of power.

4-Wheel Disc Brakes

Coming Home Light

Various lights, including the headlamps, illuminate your path from the car making it convenient when walking off the dark. The lights stay for 60 seconds, automatically switching itself off.

Welcome Light

Courtesy lights make it easier locating your Lancer EX in the parking lot at night. The front and rear position lamps and room lamp stay on for 30 seconds when the doors are unlocked via the keyless entry transmitter.

Reinforced Impact Safety Evolution (RISE) Body Structure

Mitsubishi's RISE body structure is designed to protect occupants by employing extensive front and rear crumple zones to absorb impact energy before it can reach the cabin. The cabin and doors are constructed from highly rigid frame and reinforced beams to redirect energy around and away from the occupants.

4-Wheel Independent Suspension

Incorporating front MacPherson struts and a rear multi-link system, the Lancer EX makes sure work of unpredictable conditions. Responding exactly as needed, the independent suspension keeps all four wheels firmly on the ground for performance that's as reliable as it is comfortable.
